The APPEAL acknowledges the receipt of complimentary tickets to the Drummer Boy's performance on Friday evening, Saturday afternoon and evening.

The Boy's circus has been postponed for one week. So says Harry Young their business manager, so as not to interfere with the Drummer Boy.

The amount of mineral waters sold in 1888 was 9,628,568 gallons, valued at \$1,709,302. In 1887 the product was 8,259,609 gallons worth \$1,261,473.

The Commissioners of Elko County have appointed George H. Meigs County Recorder to fill the vacancy caused by the death of the former incumbent, A. Van Vleck.

The Goodyear, Cook & Dillon's performance here last night was one of the best minstrel shows given in this city for a long time. They deserve the patronage of all lovers of good minstrelsy.

V. B. Cross returned from San Francisco yesterday much improved in health. His hip which was so badly mashed, by the accident in the Capitol last Fall, is fast improving and will in time be nearly as good as ever.

Frank Dunn, one of our sports, wishes it distinctly understood, now that the Mint is going to start, that he never voted anything but a straight Republican ticket. Anybody thinking that he ever voted a Democratic ticket is mistaken.

as walnuts fell for about ten minutes.

Water consumers should take as much interest in saving water as does the Superintendent of the water works, for there will surely be a scarcity of water this Summer and everybody is bound to suffer more or less for water.

The Battery Company of Virginia will soon be reorganized. There now the required number of men who have taken the oath, to form a company. The guns stored in the State Armory will be shipped up there for the Fourth of July celebration.

Miss Belle Klein, daughter of Jake Klein will arrive here this morning from San Francisco on a visit to Miss Theresa Shrieves. She also comes to visit her father and sister Bertie, the latter who is stopping with Mrs. Simon Guler her aunt.

The town is full of flying cotton from off the cottonwood trees. People should wet down around their fences for fear of fire. It is very easily ignited, and if once started with everything as dry as it is now, away goes the town.

A nice place to spend a quiet evening is at the Carson Brewery. There is always a chance for a little game of whist or Sancho Pedro. Jake Klein is always there, and can give a man a lesson in English grammar. "For course."

There is nothing uncertain about the effects of Chamberlain's Colic, Cholera and Diarrhoea Remedy. The fact is, it is the only preparation in the market that can always be relied upon, and that is pleasant and safe to take. 25 and 50 cent bottles for sale by G. C. Thaxter.

Frank Craven started yesterday for the Lake with the narrow gauge engine. It goes to the Incline, and was hauled over the Kingsbury grade with eighteen horses. It will be put on a barge at Chubbuck's camp and towed across the Lake to near Hot Springs, where it will be delivered to the Sierra Nevada Wood and Lumber Co.

The Drummer Boy of Shiloh is the only one who has been able to fully develop the resources and possibilities of the drum. In his hands it takes the same place as Camilla Urso's violin or Arbuckle's cornet, and has achieved as great popularity. He is equally successful in vividly depicting the stormy battle scene, with its alternate attack and repulse, and in reproducing with startling fidelity the rapid movements of the skirmish line. It is certainly a wonderful performance. Seats may be reserved at Tobriner's cigar store.

## How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedic, Druggist.

**Cough! and Cough!! and Cough!!!**  
What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedic, Druggist.

The uniforms to be worn by the non-commissioned officers of the State Militia are to have gold-laced chevrons. The uniforms complete cost \$12.11 each, the blouses cost \$3.68 and the forage caps 55 cents. The helmets are black, trimmed in gold, and are very tight and well ventilated.

## What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price? No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedic, Druggist.

The Walker, Iowa, News, says: "Our old friend, Robert Baird, of Muscatine, Iowa, has been Secretary of the State Senate, and an active politician for years, but was never generally known until he had the colic, and used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and got into one of their advertisements. "Now he is famous." Here is what Mr. Baird said: "While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy." 25 and 50 cent bottles for sale by G. C. Thaxter.
